

§ 7.44

FOIA request and the operator/programmer's rate as calculated from the chart for costs apportionable to the search.

(c) The standard fee for review of records requested under subpart C of this part is the reviewer's rate as calculated from the chart multiplied by the time he/she spent determining whether the requested records are exempt from mandatory disclosure.

(d) The standard fee for duplication of a record requested under subpart C of this part is determined as follows:

(1) Per copy of each page (not larger than 8.5×14 inches) reproduced by photocopy or similar means (includes costs of personnel and equipment)—US \$0.10.

(2) Per copy prepared by computer such as tapes or printout—actual costs, including operator time.

(3) Per copy prepared by any other method of duplication—actual direct cost of production.

(e) Depending upon the category of requestor, and the use for which the records are requested, in some cases the fees computed in accordance with the standard fee schedule in paragraph (d) of this section will either be reduced or not charged, as prescribed by other provisions of this subpart.

(f) The following special services not required by FOIA may be made available upon request, at the stated fees: Certified copies of documents, with DOT or DOT component seal (where authorized)—US \$4.00; or true copy, without seal—US \$2.00.

§ 7.44 Services performed without charge or at a reduced charge.

(a) A fee is not to be charged to any requestor making a request under subpart C of this part for the first two hours of search time unless the records are requested for commercial use. For purposes of this subpart, when a computer search is required two hours of search time will be considered spent when the hourly costs of operating the central processing unit used to perform the search added to the computer operator's salary cost (hourly rate plus 16 percent) equals two hours of the computer operator's salary costs (hourly rate plus 16 percent).

(b) A fee is not to be charged for any time spent searching for a record re-

quested under subpart C if the records are not for commercial use and the requestor is a representative of the news media, an educational institution whose purpose is scholarly research, or a non-commercial scientific institution whose purpose is scientific research.

(c) A fee is not to be charged for duplication of the first 100 pages (standard paper, not larger than 8.5×14 inches) of records provided to any requestor in response to a request under Subpart C unless the records are requested for commercial use.

(d) A fee is not to be charged to any requestor under subpart C to determine whether a record is exempt from mandatory disclosure unless the record is requested for commercial use. A review charge may not be charged except with respect to an initial review to determine the applicability of a particular exemption to a particular record or portion of a record. A review charge may not be assessed for review at the administrative appeal level. When records or portions of records withheld in full under an exemption that is subsequently determined not to apply are reviewed again to determine the applicability of other exemptions not previously considered, this is considered an initial review for purposes of assessing a review charge.

(e) Documents will be furnished without charge or at a reduced charge if the official having initial denial authority determines that disclosure of the information is in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the government and is not primarily in the commercial interest of the requestor.

(f) Factors to be considered by DOT officials authorized to determine whether a waiver or reduction of fees will be granted include:

(1) Whether the subject matter of the requested records concerns the operations or activities of the Federal government;

(2) Whether the disclosure is likely to contribute to an understanding of Federal government operations or activities;

(3) Whether disclosure of the requested information will contribute to the understanding of the public at

large, as opposed to the individual understanding of the requestor or a narrow segment of interested persons;

(4) Whether the contribution to public understanding of Federal government operations or activities will be significant;

(5) Whether the requestor has a commercial interest that would be furthered by the requested disclosure; and

(6) Whether the magnitude of any identified commercial interest to the requestor is sufficiently large in comparison with the public interest in disclosure that disclosure is primarily in the commercial interest of the requestor.

(g) Documents will be furnished without charge or at a reduced charge if the official having initial denial authority determines that the request concerns records related to the death of an immediate family member who was, at the time of death, a DOT employee or a member of the Coast Guard.

(h) Documents will be furnished without charge or at a reduced charge if the official having initial denial authority determines that the request is by the victim of a crime who seeks the record of the trial or court-martial at which the requestor testified.

§ 7.45 Transcripts.

Transcripts of hearings or oral arguments are available for inspection. Where transcripts are prepared by a nongovernmental contractor, and the contract permits DOT to handle the reproduction of further copies, § 7.43 applies. Where the contract for transcription services reserves the sales privilege to the reporting service, any duplicate copies must be purchased directly from the reporting service.

§ 7.46 Alternative sources of information.

In the interest of making documents of general interest publicly available at as low a cost as possible, alternative sources will be arranged whenever possible. In appropriate instances, material that is published and offered for sale may be obtained from the Superintendent of Documents, U.S. Government Printing Office, Washington, DC 20402; U.S. Department of Commerce's

National Technical Information Service (NTIS), Springfield, Virginia 22151; or National Audio-Visual Center, National Archives and Records Administration, Capital Heights, MD 20743-3701.
